"In June of this year, the application materials that I submitted to APEC were qualified and I gained an interview opportunity. In the middle of August, I received an internship offer. Here, I want to show my greatest appreciation to Miss Gao and all the teachers from GCA. Miss Gao's careful guidance in the whole application process and GCA teachers' assistance when interviewing, which set my mind at rest in every step of the application process. When interviewing remotely, all the GCA teachers were accompanying me, so I didn't need to worry about any emergencies, all that I could do was to prepare well and try to get the best out of myself."

"我于今年七月通过 GCA 向亚太经合组织递交了申请材料并得到面试邀约，八月中旬获得了实习 offer。我要感谢 GCA 的高老师和各位海外老师，在整个申请过程中都有高老师的悉心指导，面试时也有海外老师在场，让我申请过程中的每一步都变得十分安心。在远程面试时，全程都有 GCA 的老师在场，因此完全不用担心突发情况，只要好好准备并尽自己最大的努力就好了。"

I attended the UNESCO 75th Anniversary - Beyond Celebrations organized by the NGO-UNESCO Liaison Committee: A Call for Youth Engagement. The statements of so many outstanding young people in the conference benefit and give me a lot, so I was inspired to be involved in the discussion and bring fourth my opinions: I believe that the young people can make great contributions to the international organizations, and the abilities of every young people can be well developed if all the organizations, based on the young's capability, would like to create a youth department or collaborate with other organizations to create a common program."

Tantamount to saying my content as the foreground, the promotion had become more complete. And also, European cities and regions have through this meeting learned more about China, which I think was the most rewarding thing I did during my internship."

Shu Mu proved to be a very reliable intern. She was given different tasks and research and completed all with little guidance to a very high quality. She was committed to producing information on time and of high quality.

Remarks from the director of Basic Income Earth Network to Fang Yuan,:
基本收入全球网络负责人对袁芳的评价:

Sherry finished the five courses of the introductory course and exercises. After that, she was responsible for some English translation work on BIEN's website and wrote an English abstract for a Chinese article, which was done on time. Also, these translations don't need correcting when Dr. Furui Cheng checks them. Sherry uses her excellent English to make contributions to conducting meetings. Sherry joined four meetings actively with four other students. For now, she has translated three groups of articles on BIEN website into English and written English abstracts for three Chinese articles. Also, she wanted to create an instructive basic income plan for China and cooperated with others to create a simple one. Recently, she joined a meeting, from which she talked about her projects in the last few weeks. Sherry is a responsible translator and good at concluding. She thinks of various methods to translate and has huge enthusiasm for BIEN's work. Sherry 很好地参与了入门课程的五个阶段，并完成了练习。之后，她负责 BIEN 网站上一些英译中的工作，并为一篇中文文章写英文摘要。这些翻译工作都已按时完成。并且，当 Dr. Furui Cheng（另一位实习导师）检查时，几乎不需要修改。Sherry 的英语非常好，她为督导会议做出了贡献。Sherry 很积极地参与了与其他实习生一起的四个会议。就目前为止，她完成了为 BIEN 网站上三组文章进行英译中，为三篇中文文章写了英文摘要，为中国创建了一个说明性基本收入计划，并与其他学生合作，创建了一个简单一致的说明性基本收入计划。最近，她参加了一个会议，会议中讨论了她将在实习的最后几周将负责的项目。Sherry 是一个称职的译员及总结者，她能够思考不同的翻译方法并对 BIEN 的工作持有极大的热情。

Yue Qiao is an energetic and smart person who has strong adaptable ability, which will make her prominent in future work. 乔越执行力很强，她能够很快地完成任务，并及时发送给我。尽管中非跨文化学科对她来说是全新的，但是，她能在这么年轻的年纪，具备很强的分析能力，已经非常棒了。乔越优异的表现表明她已经具备了进入职场的能力。她的执行力很好，能够很快的完成我分配的任务。她完成了一些实操案例等工作。乔越是一个充满活力和聪明的人。她有很强的适应能力。强大的适应能力会是她职业生涯的有利因素。

How Students View the GCA Internship Program for International Organizations

学生眼中的 GCA 国际组织实习计划

"For me, GCA is a very creative and philosophical organization to work with. I have only heard of GCA who actually help students go to international organizations for internships and connect with them. I agree with the working philosophy of GCA and hope that GCA can help more college students realize their international dreams. 对我来说，GCA 是一个非常创意、有理念的工作机构。真正去到国际组织实习的，并且帮助对接的机构，我也只听说过 GCA。我非常肯定 GCA 的工作理念，也希望 GCA 能帮助更多的大学生实现自己的国际梦想。"

"Thanks to GCA, I can have such a good opportunity and platform to explore my potential and actively explore the world. Thanks to this short but wonderful internship experience, allowing me to learn from a higher perspective, to think and practice the important mission for fulfilling all mankind's future well-being. 感谢 GCA，能够让我有这么好的机会和平台发掘自身潜能并积极探索世界。感谢这短暂却精彩的实习经历，让我学会站在更高的角度，思考和践行全人类未来福祉的重要使命。"

"I am very grateful to the GCA platform, and thank them for giving me an opportunity, so that I can have this unique experience. This is not only an internship, but a learning process and a rich life experience. I'm very proud to have the chance to contribute my wisdom to the international stage as a Chinese college student. 我十分感谢 GCA 这个平台，感谢他们给我这次机会，我才能拥有这段独一无二的经历。这不仅是一次实习，而是一场学习的过程，更是一次人生的丰富经历。我能在国际舞台上，贡献出了我们中国大学生的一份智慧，是一份十分骄傲和自豪的事情。"

"GCA Internship Program for International Organizations is a very trendy idea, giving me a sense of vitality. In the context of the epidemic, it is not easy for everyone. GCA can think of such a very modern form-online internship in international organizations, allowing students to get in touch with many foreign organizational cultures and so on. It is really not easy to provide such services as much as possible. I can see the hard work and dedication made by GCA, and I really feel that GCA aims to do something for students. GCA 国际组织实习计划是一个很新潮的思路，给我一种勃勃生机的感觉。在疫情的大背景下，大家都不是很容易，GCA 能想到这样一个很新潮的形式——在国际组织线上实习，让学生接触到很多的国外的组织文化等等，尽可能的提供这样的服务也真的很不容易了，可以看得见 GCA 所作的努力和付出，是真的能体会到 GCA 是想为学生做一些事情的。"

"GCA Internship Program for International Organizations gave me a whole new experience that I didn't have at school. During the two-month internship, I have gained a lot and I have grown up quickly. I hope that GCA can be promoted more widely, so that more students will know about this project and more students who have the idea of internship in international organizations but don't know where to sign up can get more opportunities. I hope GCA will get better and better! GCA 国际组织实习计划给了我在我校没有的全新的体验。在这两个月的实习中，收获颇丰，也快速地成长了起来。希望 GCA 可以宣传更广一些，让更多学生都知道到这个项目，让更多有在国际组织实习的想法但是不知道从哪里报名的同学获取更多机会，祝愿 GCA 越来越好！"
